THE INNOVATORS OF COMFORT™

Stressless® Governor
(Large)

Stressless® Senator
(Medium)

Come in today and purchase Stressless® recliners at huge savings. For a limited time only, Ekornes is re-introducing the stately Governor and Senator recliners. Meticulously designed from the inside out to be the most comfortable recliner in existence, the Stressless® recliner possesses lumbar support that would make a chiropractor proud. With multiple sizes in the same design you have the option to choose the size chair that best fits your body. If you've never relaxed in a Stressless®, you've been pretending to know what comfortable is.

Stressless® is proudly endorsed by the American Chiropractic Association.
